

GALE INTERACTIVE: HUMAN ANATOMY

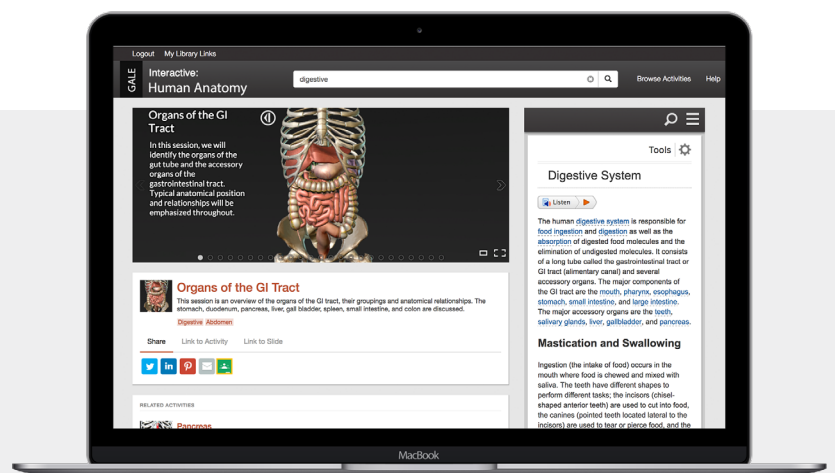

IMPROVE COMPREHENSION, SPATIAL REASONING, AND GRADES

Hands-on learning, at your own pace, enhances retention of anatomical studies.

With *Gale Interactive: Human Anatomy*, you can separate over 4,300 anatomical structures from the body to reveal layers and anatomical relationships, and visualize more than 13,500 landmarks. Isolate different regions and systems, zoom in, zoom out, and rotate areas as often as necessary to fully comprehend critical information. Artistic renderings provide detailed visual clarity.

Why wait?

Access *Gale Interactive: Human Anatomy* today.

Product screen capture as of June, 2019. Actual interface may vary.
