

GALE IN CONTEXT: FOR EDUCATORS

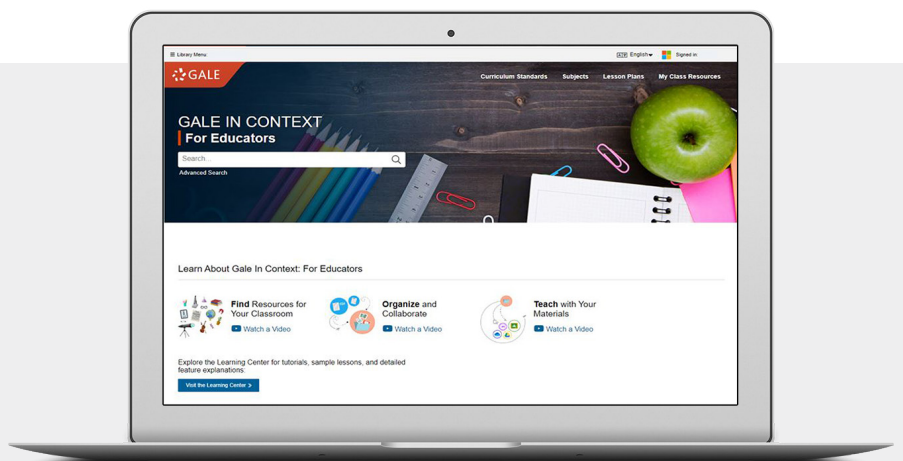

GET BACK SOME TIME TO SIP

Want to enjoy a cup of coffee without stressing over lesson plans? You can! Drive meaningful instruction inside and outside of the classroom with *Gale In Context: For Educators*. This one resource merges quality, curriculum-aligned content with related lesson plans, activities, project plans, and instructional resources—giving you more opportunities to support differentiated learning, participate in cross-curricular collaboration, and relish your morning brew. Take back your time to focus on what matters: keeping students engaged and motivated.

ACCESS RELIABLE, UP-TO-DATE CONTENT

Support literacy, science, social studies, English language arts, and more with digital content from thousands of high-quality sources, including academic journals, primary sources, magazines, newspapers, and books. Tools like language translation, ReadSpeaker, and the OpenDyslexic font make learning accessible for all students.
