

GALE PRESENTS: NATIONAL GEOGRAPHIC KIDS

# EXPLORE YOUR WORLD!

**Ready for an adventure in learning?** *Gale Presents: National Geographic Kids* is an age-appropriate resource that allows for the exploration of topics like science, nature, wildlife, culture, geography, archaeology, space, and more. With the click of a button, users can dive into full issues of *National Geographic Kids* magazine, books, videos, and images and transport themselves to places they've never been. Join the adventure to help kids discover the world and universe around them.

## Why wait?

Access *Gale Presents: National Geographic Kids* now to start exploring.
