

TRAINING TOOLKIT

Gale Interactives

The Gale Training Toolkit is a comprehensive resource that delivers expert guidance on effectively utilizing Gale resources, while providing you with the materials to conduct your own trainings. With step-by-step instructions, tutorials, and materials, it empowers users to navigate features and conduct efficient searches. Enhance research, instruction, and information literacy skills with this user-friendly training toolkit!

THE BASICS Everything you need to know to get started

- First, review our recorded webinar for [Gale Interactive: Science](#), [Gale Interactive: Chemistry](#), or [Gale Interactive: Human Anatomy](#) to get comfortable with the resource you subscribe to and its capabilities.

GET CONNECTED Grow your knowledge and focus on subjects

- Use this [Scavenger Hunt](#) to pair with the Animal Cell model in *Gale Interactive: Science*.
- Check out this [Tip Sheet](#) for a quick overview of *Gale Interactive: Chemistry*.
- Watch this [Webinar](#) on how you can use *Gale Interactive: Human Anatomy* to support Health Sciences.

DELIVER YOUR OWN TRAINING Turnkey solutions

- Don't recreate the wheel; we've got PowerPoint slides ready for you! Use these slides when training on [Gale Interactive: Science](#), [Gale Interactive: Chemistry](#), and [Gale Interactive: Human Anatomy](#).

SPREAD THE WORD Promote your resources

- Try out this [Blog Post Template](#) for marketing *Gale Interactive: Science* to your school or community.
- Use one of our [Social Media Posts](#) to advertise *Gale Interactive: Chemistry* on social media.
- Print out [flyers](#) and [bookmarks](#) to promote *Gale Interactive: Human Anatomy* in your classroom or library.

FIND HELP
