

GALE RESOURCES IN CANVAS

Follow the steps below to add Gale resources to your Canvas courses.

STEP 1 Access the course of your choice. Within the **Apps** tab of the **Settings** for your course, **View App Configurations**.

STEP 2 Click **+App** to begin adding one of your Gale resources.

STEP 3 Select Configuration Type **By URL**, and then enter:

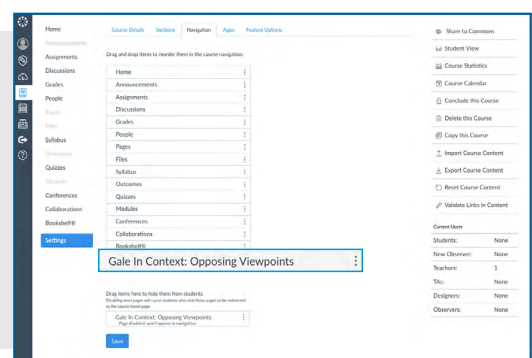

- Name** - title of the Gale resource
- Consumer Key** and **Shared Secret** - ask your Librarian or contact gale.technicalsupport@cengage.com
- Config URL** - Find the relevant URL in column D of <https://support.gale.com/doc/lmsinstall-urls>

Click **Submit** to save your changes.

GALE RESOURCES IN CANVAS

Connect learners with premium content in Canvas. Follow the steps below to access and embed trusted Gale content in your courses.

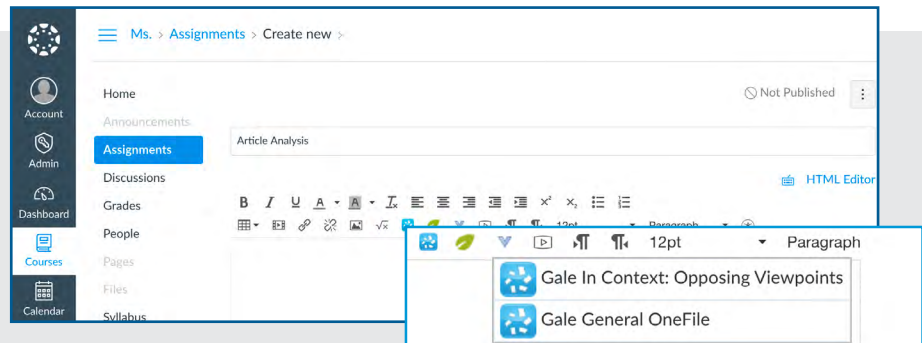

SEARCH AND NAVIGATE

Once you've added Gale resources to Canvas, you and your students can access them from your course menu. Features and tools function exactly as they do when accessed outside Canvas.

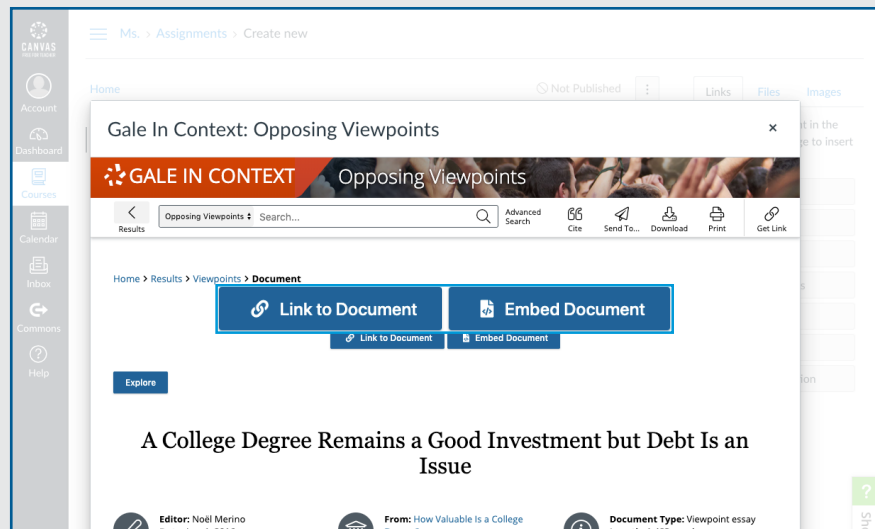

EMBED GALE CONTENT

Use the Rich Content Editor in an assignment, discussion, or quiz to access the Gale resources you've added to Canvas.

Search or browse to access an individual document.

Then, use **Link to Document** or **Embed Document** to add trusted Gale materials to your course.
