DISCOVER NATIVE AMERICAN AUTHORS WITHIN GALE LITERATURE RESOURCE CENTER

Gale Literature Resource Center contains a powerful **Person Search** that allows you to search and filter to find Native American authors. Utilize this tip sheet to simply discover new authors and their works.

ACCESS PERSON SEARCH

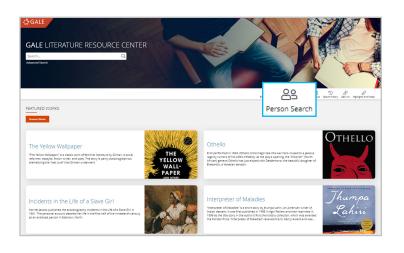

- Select **Person Search** in the tool bar at the top of the homepage.
- Alternatively, you can access Person Search by navigating to Advanced Search from any page and selecting it. Person Search is the second option available within Advanced Search.

- Utilize the **Search** option at the top of the page if you have a specific author in mind.
- Scroll down to the **Filters** to narrow down based on author characteristics.
- Parameters with Drop Down options allow you to select one or more predesigned characteristic; those with text boxes require your specific input.
- Selecting the Ethnicity Filter will allow you to limit your search to Native American Authors.

- View the names, birth and death years, and nationalities of your results on the **Results** page.
- Select an individual to be launched into the content related to them.
- You mayfind biographies, literature criticisms, work overviews, primary sources and more.
