

Gale In Context Resources: Curriculum Standards

Explore content related to curriculum standards within the suite of Gale In Context resources from TexQuest. Browse national and state standards to find class resources that support the Texas curriculum.

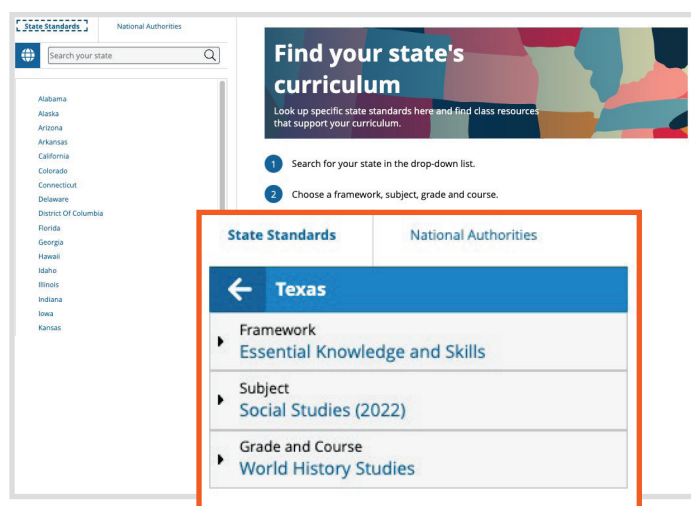

Curriculum Standards:

- Easily locate content related to the curriculum standards within your **Gale** resources from **TexQuest**.
- Access the national and state standards from the **Homepage** of any secondary **Gale In Context** resource.
- Scroll to the bottom of the page and select **Go to Curriculum Standards**.

State Standards:

- Select **Texas** from the drop-down list or simply use the **Search Box**.
- Choose a **framework, subject, grade** and **course**.
- Click on a **standard** to reveal resources that support your learning targets.
- To the right of the standard, select **See Resources**.

Browse Content:

- Explore content related to the curriculum standard by **Content Type**.
- Select a Content Type such as **Featured Content, Reference, Academic Journals** and others or use **Filter Your Results** to drill down to the content available to supplement the curriculum standard.
