

Gale Scavenger Hunt

Hispanic Heritage Month

1 When and why was the **American G.I. Forum** founded? What has it supported, and what is its current status in the United States?

Answer: It was founded in 1948 in response to poor treatment of Hispanic American World War II veterans. It remains active in the United States with 6000 members, and has supported civil rights, voter registration, and equal employment opportunities

2 What is a **green-card soldier**? How has this concept impacted military recruitment?

Answer: A green-card soldier is a controversial concept—it is a foreign national hoping to speed the naturalization process by joining the military. Some individuals may have been motivated to join the military after George W. Bush announced that some individuals would be eligible for fast-track naturalization.

3 During what war was the **Camp Gordon Plan** instituted? Why was the plan developed?

Answer: It was instituted during World War II in response to ridicule of and language barriers for soldiers who did not speak English.
