

Curriculum Corner

January 2024

SPOTLIGHT FROM THE FRONT LINES

New York's Pearl River School District is successfully bridging the library-curriculum gap utilizing their Gale resources. Read about their strategy in our [Blog Post](#).

SOCIAL STUDIES UPDATES

Gale In Context: Global Issues supports a deeper understanding of the **Russia-Ukraine Conflict** with a new **Topic Page**. [Learn More](#).

Utilize our **Content Specific Materials** to celebrate **Black History Month**. Classroom materials support learning about Black Artists, Mathematicians, and Hidden Figures.

Gale In Context: Middle School has new topics pages to explore including: **Charles III, King of the United Kingdom, Fast Fashion, Freedom of Religion, Plessy V. Ferguson, and Yom Kippur**.

STEAM UPDATES

Galileo Galilei's 460th birthday is February 15th. Teach your students about his life and discoveries with *Gale In Context: Science*. [Learn More](#).

Support Science instruction with *Gale In Context: Middle School*! New **Topic Pages** include **Extreme Weather, Food Safety, Patterns of Extinction, and Telescopes**.

Want to bring real-world environmental issues in your state or province to your students? *Gale In Context: Environmental Studies* contains dedicated state and province **Topic Pages**.

ELA UPDATES

New to *Gale In Context: Literature*? Take a look at our 1-3 minute **Tutorials** highlighting the unique and valuable tools and content available to you!

What better time to talk about love in literature than Valentine's Day? Take a look at our **Student Activities** developed with *Gale In Context: Literature*.

Engage your students with our **Novel Studies**! You'll find classics like *The Catcher In the Rye* and more contemporary works like *The Hate U Give*.

ELEMENTARY UPDATES

Our pre-built **Graphic Organizers** are great to help students understand **Text Structure**. Find a document within *Gale In Context: Elementary* and allow them to organize their thoughts.

Help students explore space with our **Solar System Trading Cards** activity.

Looking for a complete **Lesson Plan**? Check out our **Fairy Tales and Fables Lesson Plan** for a fun way for students to identify, compare, and contrast fairy tales.
