

CREATING AND USING AN ACCOUNT

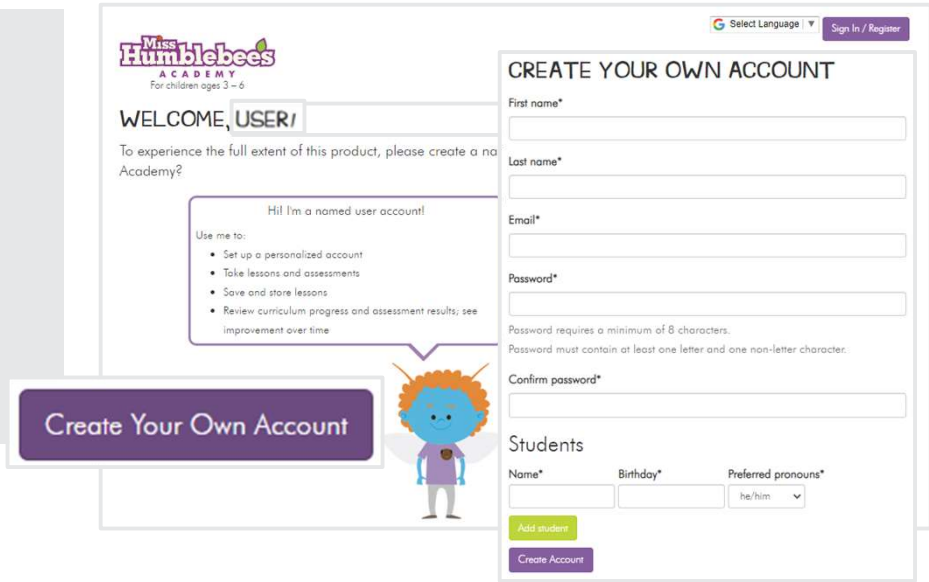

Creating an account in *Gale Presents: Miss Humblebee's Academy* allows you to customize learning, view assessment and learning reports, track developmental milestones, access offline content, and more.

CREATE AN ACCOUNT:

Select **Create Your Own Account**.

You will be directed to a page to enter your information and create an account.

You can add more than one student per account if you have multiple learners.

DASHBOARD:

On the **Dashboard** you can change **Account Options**, manage **Students**, and access **Resources**, such as Flash Cards and a Kindergarten Readiness Checklist.

LEARNING PATH:

The **Classroom** is where learners can progress through the Miss Humblebee's Curriculum.

Subjects include: Art & Music, Bee Fit, Language & Literacy, Math, Science & Social Studies, and Social Emotional Learning.

You can also access a wide variety of eBooks.

CREATING AND USING AN ACCOUNT

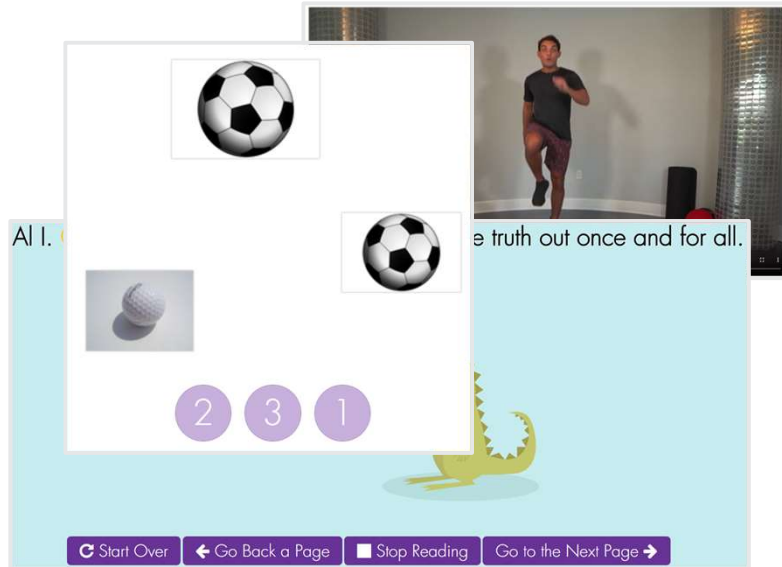

LEARNING NAVIGATION:

Choose from three learning options to best suit your learner. Click on the path to progress through **Guided Learning**, select **My Learning** to access content selected under Account Settings, and **Choose a Lesson** to browse lessons on various topics and practicing specific skills.

ENGAGING CONTENT:

Curriculum-based design with the **young learner** in mind, using varying strategies to keep users engaged and interested, including **interactive lessons, read-aloud eBooks, and videos.**

ABOUT ME:

Students can **customize their own avatar**, and as they progress through the learning content, they can **earn rewards.**
