

GALE PRESENTS: NATIONAL GEOGRAPHIC KIDS INTEGRATION WITH GALE IN CONTEXT: ELEMENTARY

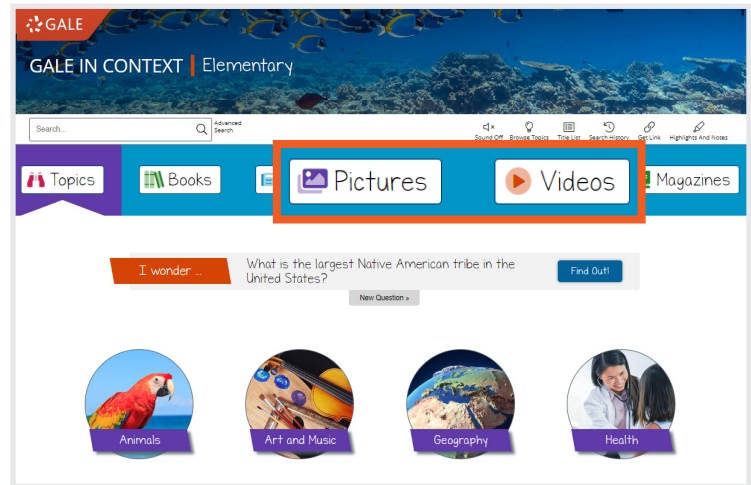

Simplify Student Discovery

Learning communities with access to both *Gale Presents: National Geographic Kids* and *Gale In Context: Elementary* can find and utilize their *National Geographic Kids* content within the *Gale In Context: Elementary* interface. This integration allows for a one-platform search and browse experience to ensure your young learners discover rich magazine, eBook, and multimedia content to encourage educational exploration.

BROWSE

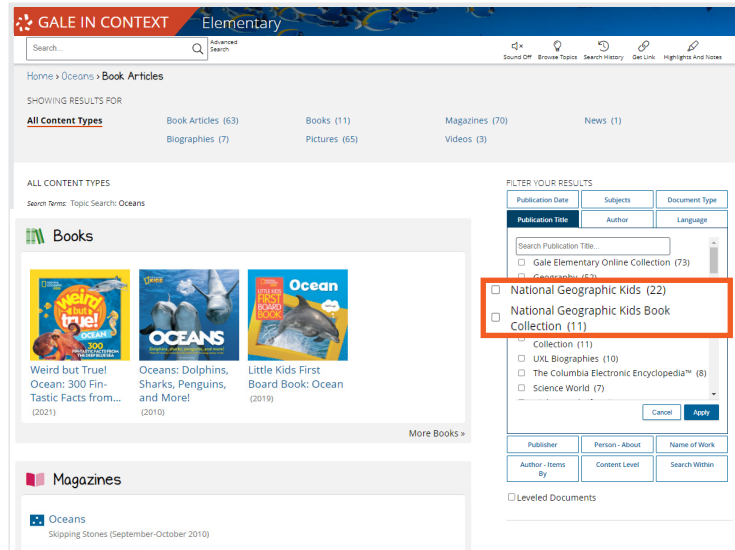

Select **Magazines** on the homepage to see all available *National Geographic Kids* magazines.

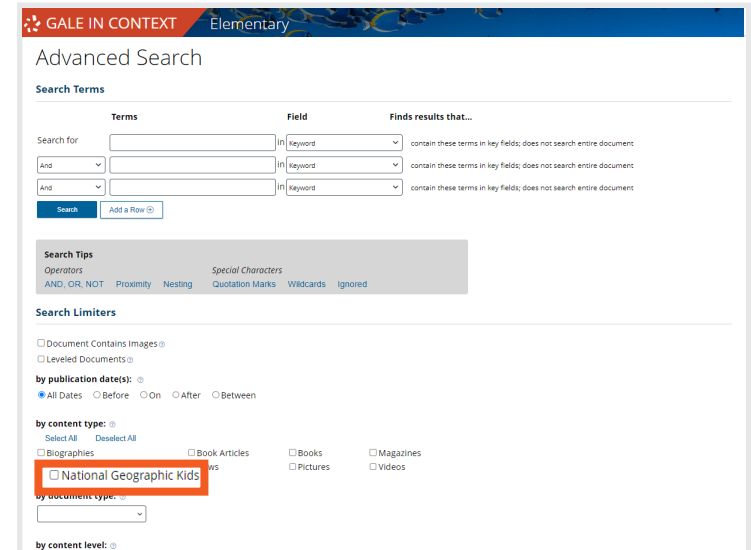

To browse for *National Geographic Kids* images or videos, select the **Pictures** or **Videos** buttons.

SEARCH AND FILTER

Utilize **Basic Search** to view all content types. *National Geographic Kids* content will be found in the **Books**, **Magazines**, **Videos**, and **Images** sections. Select **Publication Filter** to narrow to just *National Geographic Kids* publications.

Choose **Advanced Search** for more detailed search and filter options. A *National Geographic Kids* filter is available to only see that content in your search.

GALE PRESENTS: NATIONAL GEOGRAPHIC KIDS INTEGRATION WITH GALE IN CONTEXT: ELEMENTARY

Simplify Student Discovery

UTILIZE TOPIC PAGES

Topic Pages provide your learners with organized landing spots on the most studied and searched topics.

Gale Presents: National Geographic Kids content has been added to the appropriate pre-created *Gale In Context: Elementary* content buckets.

National Geographic Kids books are found in the **Books** content bucket.

National Geographic Kids magazines are broken into articles and found in the **Magazines** bucket.

National Geographic Kids multimedia content, including **Images** and **Videos** are found within the multimedia content buckets.

Pro Tip:

Select any content bucket to view all materials. Utilize the provided filters to narrow to your precise needs. Utilize **Publication Filter** if you would like to see only *National Geographic Kids* content.

The screenshot displays the 'Dolphins and Porpoises' topic page on the Gale In Context: Elementary website. The page layout includes a header with the site name and navigation tools, a main content area with a large circular image of a dolphin, and several content buckets. The 'Book Articles' bucket lists three articles: 'Dolphins and Porpoises' (2018), 'Dolphins and Porpoises' (2014), and 'Dolphins: Members of the Family' (2016). The 'Books' bucket shows two book covers: 'Dolphins' (2010) and 'Everything Dolphins' (2012). The 'Magazines' bucket lists three articles: 'Bet You Didn't Know!' (2023), 'Do-Good Dolphins' (2018), and 'The Secret Language of Dolphins' (2017). The 'News' bucket lists three news items: 'Dolphins, two calves rescued after being stranded in canal for days' (2019), 'Dolphin Tale 2' hits a very sweet spot (2014), and 'Construction worker dead after crane collapses at marina' (2018). The 'Pictures' bucket shows three images: 'Leaping Dolphins', 'Bottlenose Dolphins', and 'Peale's Dolphins'. The 'Videos' bucket shows three video thumbnails: 'Pink Dolphin', 'Amazing Animals: Bottlenose Dolphin', and 'Legend of the Pink Dolphin'.
